Listed below are all the community funders that Sport Whanganui are aware of. These organisations provide funds for community organisations. For information on funding available for individuals, please see the information below. The Bukholt Sport Fund and Future Champions Trust applications can both be found on the Sport Whanganui website. www.sportwhanganui.co.nz

[Bukholt Sport Support Fund – Sport Whanganui](http://www.sportwhanganui.co.nz/bukholt-sport-support-fund/) – www.sportwhanganui.co.nz/bukholt-sport-support-fund/

The Bukholt Sport Support Fund was recently established by Karen and Knud Bukholt, who donate a portion of their sales revenue from Bayleys Whanganui to the fund. Bukholt Sport Support Fund helps ensure young people do not miss out on opportunities to participate in sport or recreation due to the barrier of cost associated with their chosen sport or active recreation.

This is a sport or active recreation fund for students aged 12-19 years to help cover the costs directly associated with the continued participation of a young person in their chosen sport or active recreation. These costs might also address any barriers that prevent participants accessing their activity. Costs could include:

- Purchasing or hiring equipment (only when this is required as part of the activity)
- Costs of transport to get to and from the activity
- Club and other registration or participation fees
- Coaching costs incurred by the participant
- Training camps and other related trips or programmes

The fund is managed by Sport Whanganui on behalf of Knud and Karen Bukholt. Funding can be accessed anytime during the year by a school or a club on behalf of the young person and their family. Contact Jodie Brunger, jodie@sportwhanganui.co.nz, regarding any queries.

[Welcome to the Future Champions Trust](http://www.futurechampionstrust.org) – www.futurechampionstrust.org

The trust aims to provide financial support for high achieving, individual Whanganui youth, in order that they advance their international sporting careers. The Future Champions Trust is aimed to give local Whanganui people and business an opportunity to support our talented sporting youth with a “hand up” to reach their full potential at an international level in their chosen sport.
