

Marton Clubs Calendar

Guide to submitting an event

The Marton Clubs Calendar is a shared calendar for Rangitikei clubs, schools and sports organisations to plan and promote upcoming events, avoid clashes, and support the community to participate in sport and recreation.

The calendar is managed by Sport Whanganui in partnership with the Marton Club Leaders Network.

To view the calendar, visit sportwhanganui.co.nz/marton-clubs-calendar/.

Who can add events?

Only approved members of the Marton Club Leaders Network can add events to the Marton Clubs Calendar. This helps us to make sure there are no double-ups and keeps the calendar for its intended purpose – to promote and coordinate Marton school and club sporting activities.

The following organisations are members:

- Marton Boxing
- Marton Bears Netball
- Rangitikei Netball
- St Francis Indoor Bowling Club
- James Cook School
- Marton School
- Rangitikei Athletics
- Marton Bowling Club
- Marton Badminton Club
- Rangitikei Country Music
- Marton Swim Club
- Marton Gymnastics
- Rangitikei Squash
- Nafanua Rangers Volleyball
- Marton Saracens Cricket Club
- Rangitikei Hockey Association

To join the Marton Club Leaders Network, please contact the network coordinator at katarina@sportwhanganui.co.nz for more information.

What events can I add?

Events or activities must meet these criteria to be added to the calendar:

- Events must be in the Rangitikei region.
- Your association/club/organisation must be the primary organiser of the event (i.e. you can't add someone else's events).
- Event type must be one of:
 - Competitions or tournaments
 - Practices or training sessions
 - Professional development or hui i.e. coaching workshops

How do I add an event?

Event submission is via online form link. Network members will be sent the link to the submission form to fill out each time they want to add an event to the calendar.

Submissions will be reviewed by Sport Whanganui within 48 hours or 2 working days. If accepted, events will appear on the calendar automatically. If events do not meet the criteria, submitters will receive an email requesting more information.

What information do I need to add an event?

- Event name
- Type of event
- Contact name and phone number (these are visible on the calendar once published)
- Contact email (this is not visible on the calendar)

Where do I find the calendar?

The calendar is hosted on the Sport Whanganui website (see screenshot on next page).

What is the Sport Whanganui events calendar? How is it different?

The Sport Whanganui events calendar is the main calendar that is built into the Sport Whanganui website, here: [Events - Sport Whanganui](#)

This calendar is for clubs, codes and associations across the wider Whanganui, Rangitikei, and Ruapehu region to promote their events to the wider public. Sport Whanganui also lists events and activities in the calendar.

To add events to this calendar, you need to be a registered user on the Sport Whanganui website and create a profile in the activity directory: [Organisations Directory](#). If your organisation is not yet listed on the activity directory, you can register to get started here: [Register - Sport Whanganui](#).

If you need any help with any of these steps, please contact the Media & Brand team at Sport Whanganui.
